customizable mirrors

SIZES

Each living space has different dimensions and proportions. Did you find the mirror of your dreams, but would you need it **bigger or smaller** for your specific project? This overview shows you the collection models that are customizable **per one single piece**. Look for  in our catalogue or find the overview on our website under PRODUCTS | customization.

For more information about the possibilities and for a price quotation, our Customer Service and agents are at your disposal.

COLOURS

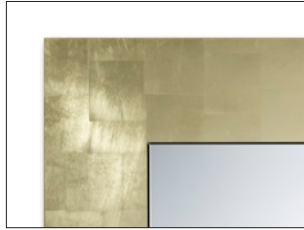

Furthermore, Deknudt Mirrors Collection includes a beautiful selection of mirrors with impressive **polyurethane frames**. These frames are light, produced in 1 piece. You now have the choice between **eight stylish colours!**

More info on the product pages 103 to 125.
