

# New collection 2024

# Gallery

Designed by  
Esther Everaert

70 × 1 × 170 cm

# Ray

Ray Gold  
Designed by Jeffrey Huyghe

105 × 5 × 105 cm

# Jeffrey Huyghe

↘ Ray

Jeffrey is driven by a passion for engineering. His profound understanding of production processes, mechanics and materials, empowers him to push limits and challenge conventional boundaries.

Ray is the successful result of Jeffrey's dynamic cooperation with Deknudt Mirrors. Each lamella, with its consistent and evenly patterned placement, adds to the graphical rhythm on Ray's reflective surface.

# Velvet

Velvet Hall  
Designed by Esther Everaert

30 × 6 × 150 cm

# Infinito

Designed by Esther Everaert

70 × 6,5 × 100 cm
