Deknudt Mirrors is a family owned and Belgian based mirror maker brand, that develops and produces premium, precision crafted mirrors. Since 1946, we unite functional perfection with **unique designs** for great interiors. Our mirrors are created by our in-house designers or in close and respectful cooperation with international designers. Our **Master mirror makers** proudly produce them using only the best European glass.

Your mirror is a valued element in your home. Consciously and unconsciously you will see it every day. It is a part of your interior and since 2022, we offer solutions for your outdoor living space as well. A mirror contributes to creating the **atmosphere** which makes you feel at home. It **catches and reflects light** and so helps you to create the sense of more space. It highlights your favourite corner in a unique way. It will **make you look great** before you go out.

We are inspired by aesthetics and motivated by **quality**. We guarantee that quality with a 7 year warranty on each mirror that we produce and a 2 year warranty on outdoor mirrors. When it comes to mirrors, we are very pleased to be at your service.

↳ Attitude

James Van Vossel is a versatile designer driven by a desire to redefine archetypes, constantly searching, questioning and working with a steady flow of fresh insights. His creations reflect a pursuit of clarity, balance and functionality, resulting in objects that are both innovative and purposeful.

Attitude explores the dynamic interplay of reflection and refraction. Narrow vertical strips of mirror, interspersed with black sections, create a rhythm that shifts and transforms with your perspective. The strips seem to shift and dance, offering intriguing and ever-changing reflections. The mirror is set in a solid black oak frame, which adds extra depth and texture.
